

Call for abstracts to present your work at the Inaugural Annual HEIW Simulation Conference: “Celebrating simulation in Wales” on the 30th June 2021

We are looking to showcase any new developments in simulation or in the use of immersive technologies in Wales.

If you would like to share your new development in simulation or in the use of immersive technologies with the wider Welsh Simulation community please write a 300 word abstract to include the following:

Introduction/background:

- Briefly explain the new development in simulation/use of immersive technologies

Method:

- Consider-Why? Who? How?

Results/Evaluation:

- What was the outcome?

Discussion:

- What you learned from the experience?

- Next steps?

All abstracts should be sent to HEIW.Simulation@wales.nhs.uk

Deadline for abstract submissions: 30th May 2021 by 16.00

Abstracts will be reviewed, and successful individuals will be contacted and asked to provide a 6 minute live or video recorded presentation. There will be a live Q & A session after all presentations and therefore we would ask for all presenters to be available on the day to respond to any questions.
