Evidence of Involvement in British Society of Paediatric Dentistry	Paediatric Dentistry Masterclass Certificate of Attendance (2024)	19
	BSPD Wales Study Day Certificate of Attendance (2023)	20
	BSPD South East Branch Junior Members Papers Runner Up Certificate (2021)	21
Evidence of Formal Qualifications	Letter from MSc Director Confirming Postgraduate Diploma in Paediatric Dentistry (2024)	22
	Postgraduate Certificate in Dental Education Certificate (2021)	23
	MFDS Part 2 Certificate (2018)	24
	MJDF Part 1 Certificate (2017)	25

Personal statement

I am a diligent and passionate dentist fully committed to a career in paediatric dentistry. I have extensive experience managing children in a community and hospital setting. My clinical approach is holistic in nature, specifically focussed on ensuring the level of care I provide meets a child's dental, medical and psychosocial needs. My long-term aspiration is to secure a paediatric specific post in the hospital or community setting where I will implement the enhanced clinical skills I have acquired in caries management, trauma management, endodontic management of the non-vital immature incisor and the restorative management of anomalies. Alongside this, I intend to work as part of the wider dental team in order to learn firsthand from specialists and consultants in a variety of settings including theatres and multidisciplinary clinics.

As part of my commitment to ongoing professional development I am currently enrolled on an MSc in Paediatric Dentistry (to be completed by June 2026) to develop my research and critical appraisal skills and implement evidence-based practice in my daily clinical work. I intend to develop my leadership and management skills by gaining exposure and experience in management initiatives to improve the delivery of paediatric dentistry within the locality I serve.

Dentists with Enhanced Skills in Paediatric Dentistry (DES/Level 2)

Section 2: Evidence of Clinical Competence

Criteria	Evidence enclosed	Pages
Logbook of Level 2 Paediatric Patients	[redacted] Treatment & Consultant Clinic Logbook stating supervised cases	27-74
	[redacted] Sedation Logbook	75 -78
	[redacted] GA Logbook	79-84
Evidence of working closely with Paediatric Dentistry specialists / consultants	[redacted] Logbooks (as above)	27-84
Case Studies of Level 2 Paediatric Patients treated [redacted]	Clinical Case Presentation 1	85-88
	Clinical Case Presentation 2	89-93
	Clinical Case Presentation 3	94-98
	Clinical Case Presentation 4	99-102
	Clinical Case Presentation 5	103-107
	Clinical Case Presentation 6	108-113
	Clinical Case Presentation 7	114-118
	Clinical Case Presentation 8	119-123
	Clinical Case Presentation 9	124-128
Multisource feedback	[redacted] MSF	129-130
Paediatric Dentistry Reflections	[redacted] Reflections of significant learning events	131-132

Addysg a Gwella Iechyd Cymru (AaGIC)
Health Education and Improvement Wales (HEIW)

Dentists with Enhanced Skills in Paediatric Dentistry (DES/Level 2)

Section 3: Clinical References

Criteria	Evidence enclosed	Pages
Clinical Reference 1	Reference from [redacted] Consultant in Paediatric Dentistry	134- 136
Clinical Reference 2	Reference from [redacted], Professor in Paediatric Dentistry	137- 138

GIG CYMRU NHS WALES | Addysg a Gwella Iechyd Cymru (AaGIC) Health Education and Improvement Wales (HEIW)

Dentists with Enhanced Skills in Paediatric Dentistry (DES/Level 2)
