

Certificate of Completion of Training (CCT): Combined Programme

Register and pay for your [Fourteen Fish account](#).
[Details on the fees is available.](#)

Then upload your CV under the Combined Training application for the Recruitment Lead to review **one month before your start date**. If we do not receive your application by the start date, the application will be closed.

The Recruitment Lead will check your eligibility

Not Eligible

Eligible

You will need to complete three years of training.

Complete the capability mapping form. You have **one month** from your start date to complete this.

Using overseas experience

Upload:

- ❏ Details of training and assessments
 - Copies of certificates for relevant qualifications
 - A letter from the training provider/s or education authority
- ❏ Statements of employment, job descriptions and references from recent relevant roles

For posts in general practice, also upload:

- ❏ Information about the healthcare setting and Primary care team
- ❏ Daily case load and mix (case studies can be used)

Applications that include any overseas training or experience, will be sent across to the GPSA team in the first instance for review by a CEGPR panel.

Upload:

- ❏ Details of training and assessments
- ❏ Copies of certificates for relevant qualifications
- ❏ Statements of employment, job descriptions and references from recent relevant roles
- ❏ Appraisal and revalidation documents
