

# Dental Educational Supervisor Approval Process (DESAP) round opens for all applicants 15th January 2024 – 16th February 2024

## Existing ESs

Applicants complete the DESAP online application form along with submitting supporting documentation.

ES completes and submits the ES sessional Commitments form via DESAP which is verified by the TPD

TPD conducts an annual QA Practice visit and performance review and records via DESAP. This is reviewed and scored by the TPD and shared with the ES who also approves this via DESAP

The total score of an applicants ES Commitment and the QA Practice visit is added together to gain an overall Quality Assurance total. This will be used to recommend ESs for approval and identify those scoring in the lowest 10% across Wales who will be invited back for interview.

If invited back to interview you will be informed when you will need to attend. Please note If you have not received an invite to interview 6 weeks prior to the interview dates you will **not** require an interview.

## New ES

Applicants complete DESAP online application form along with submitting supporting documentation.

You will be invited to attend an interview you will be informed when you will need to attend.

New Practice visits will take place between in May - June for successful applicants.

QAS & LHB Feedback from Primary Care contact leads are requested, and FD interim feedback are considered as part of the approval process.

Approval outcomes will be communicated in May
