Date: 9 March 2022

Thank you for your request for information under the Freedom of Information Act, received on 9 February 2022 reference number FOI/09/02/22. I can confirm that Health Education and Improvement Wales (HEIW) has completed a search of its records and established that it does hold information falling within the confines of your request. Please find our response to your request below.

The number of staff who have left over the last 12 months and how many vacancies have not been filled.

Over the past twelve-month period, to 31 January 2022, HEIW had 41 leavers. In terms of vacancies, our latest figures showed 32.3 full time equivalent current vacancies that are at various points in the recruitment process. This figure is typical of the number of vacancies we would have at any point in time. However, we have not had any vacancies that have remained unfilled, and we anticipate that all our current vacancies will be filled as they progress through the recruitment process.
