- Easy access to Cardiff and Bristol via the M4 corridor
- You can find more information on Newport at <http://www.Newport.gov.uk>

ABERGAVENNY

- Old Market Town
- Mountain and country walks on your doorstep
- Perfect countryside for those who love to cycle
- Situated in the Usk Valley surrounded by the Brecon Beacons and the Black Mountains
- Home to the Sugar Loaf Vineyard and an Internationally renowned Food Festival
- Great country pubs and restaurants, including Michelin Starred The Walnut Tree
- Best Afternoon Tea in Wales at The Angel Hotel
- You can find more information on Abergavenny at: <http://www.abergavenny.net>

LLANFRECHFRA AND VICINITY

- Close proximity to Caerleon and its Roman Remains
- Large Shopping Centre and Cinema in Cwmbran
- Good Transport links across South Wales
- Opportunities for outdoor sports in local area – try paddleboarding (SUP) on the Monmouthshire and Brecon Canal

COUNSELLING AND SUPPORT

We are always on hand to provide support and guidance. You will also find friendly and approachable staff in the Education Centres who are able to offer guidance on all aspects of medical education. Local Faculty Leads are available for careers advice and the Foundation Programme Directors can lead you through your Foundation years.

All F1's are invited to attend a local induction where you are welcomed to the Health Board. You are also invited to 1:1 Welcome meetings with the Foundation Team giving you the opportunity for you to share anything that you feel you may need support with, from health concerns to educational and training issues.

THE FOUNDATION TEAM

Dr Helen Fowles, Foundation Programme Director (helen.fowles@wales.nhs.uk)

Consultant in Respiratory Medicine

Mr Ashok Vaghela, Deputy Foundation programme Director (ashok.vaghela@wales.nhs.uk)

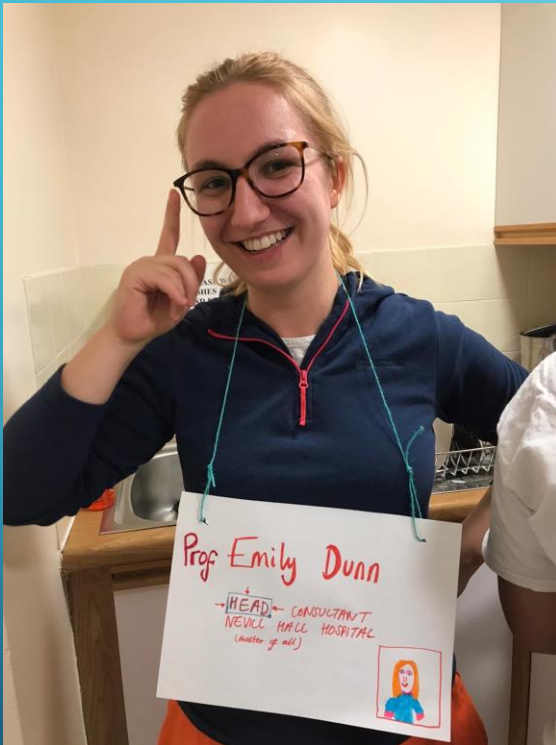

Consultant in Emergency Medicine

Mrs Caroline Newman (caroline.newman@wales.nhs.uk)

Foundation Programme Administrator

OPPORTUNITIES FOR CAREER ADVANCEMENT

NB: Both these F1s chose to remain in ABUHB for F2!
