

Showcase project presentations

Oral presentations:

Session 1: 10:20 – 11:20

"Top Triage" - A collaborative and interactive group-based simulation exploring and teaching key concepts in primary care remote consulting and triage through a true-to-life gamification of a GP on call.

Presenter and author: Richard Davies

Escaping neonatal sepsis – a novel game-based learning tool

Presenter and author: Dr May Goodfellow

Enhancing the quality of Occupational Therapy practice- based education: A Hydra Minerva learning exercise delivered by University of South Wales (USW) in partnership with Cardiff and Vale UHB Occupational Therapy Service

Presenter and author: Sally Scott-Roberts

Session 2: 14:00 – 15:00

Developing Welsh-Language Simulation Scenarios for Interprofessional Education: A Collaborative Initiative Between Aberystwyth University and Swansea University's SUSIM

Presenters: Amanda Jones & Sharon Jones

Authors: Amanda Jones, Asso Prof Jo Davies, Sharon Jones, Dr Lauren Blake, Sam Adams, Matt Townsend, Kayrene James, Ellie Jolley-Dawson, Dr Alwena Morgan, Dr David Lee

Co-Designing Interprofessional Virtual Reality Simulation for Community Care: A Speech and Language Therapy, Dietetics and Pharmacy Collaboration to Upskill Care Home Staff

Presenter and author: Sheiladen Aquino

Simulation-based Human Factors Training: Strengthening Mental Wellbeing and Multidisciplinary Collaboration in Undergraduate Healthcare Education

Presenters and authors: Yuetha Lachana, Emily Evans, Melanie Cotter

Session 3: 15:15 – 16:15

Cardiff SCOOP Course: Multiprofessional Simulation Based Training in the Management of Post-Operative Neck Haemorrhage

Presenter: Mark Lam

Authors: Sabah Y, Alcock A, Ilif H, Barlow E, Lam M, Stechman M, Scott-Coombes D, Patel N

Human Factors: Affect Everyone, Involve Everyone

Presenter: Dr Charlotte Addy

Authors: Alcock A, Addy C, Al-Mudhaffar, Cotter M, Dunne J, Hall A, Jenkins M.

"From Vein to Brain": Interprofessional Simulation for Collaborative Inter Professional Education

Present: Dr Amanda Squire, Sara Morgan and Charlotte Thomas

Authors: Dr Amanda Squire, Dr Victoria Bradley, Charlotte Thomas, Sara Morgan, Aisling Pigott, Ashleigh Davies-Jones, Joanna Tozer, Georgia Jones

E-poster presentations:

Improving interprofessional Working through a Paediatric Emergency Simulation Training Day

Presenter: Ellen Paredes

Authors: Dr A Wagstaff, Dr E Paredes, Dr R Hewitson

Improving the Confidence of Final Year Medical Students in Providing End-of-Life Care Through Simulation

Presenter and author: Naomi Blower

Innovating Community Mental Health Simulation through Technology: An Undergraduate Occupational Therapy Approach

Presenter: Stephanie Edwards

Authors: Stephanie Edwards, Sara Oxbury-Ellis, Jayne Beech

Improving medical students obstetrics and gynaecology education through simulation based peer mentoring

Presenter: Georgia Mills

Authors: Dr Georgia Mills, Dr Roopam Goel, Dr Anastasiya Unnikrishnan, Dr Fernanda Cantillo Castaneda, Dr Douha Abdalla
